FR Le concept

Woodafix™ est un produit de décoration murale qui associe des panneaux décoratifs bois et un système de pose rapide et innovant : sans perçage, sans tasseau et sans détérioration des murs. Le produit est démontable facilement et réutilisable pour une nouvelle décoration au gré de vos envies.

EN The concept

Woodafix™ is a wall decoration product that combines decorative wood panels and a quick and innovative installation system: without drilling, without cleats and without damaging the walls. The product can be easily dismantled and reused for a new decoration according to your desires.

ES El concepto

Woodafix™ es un producto de decoración de paredes que combina paneles decorativos de madera y un sistema de instalación rápido e innovador: sin taladrar, sin tacos y sin dañar las paredes. El producto puede desmontarse fácilmente y reutilizarse para una nueva decoración según sus deseos.

PT O conceito

Woodafix™ é um produto de decoração de parede que combina painéis decorativos de madeira e um sistema de instalação rápido e inovador: sem perfuração, sem cunhos e sem danificar as paredes. O produto pode ser facilmente desmontado e reutilizado para uma nova decoração de acordo com os seus desejos.
